ORGANIZATIONAL CHART

INTEGRATED POLICY

Integrated Management System Policy

Falcons International General Contracting Co. is dedicated to delivering Electro-mechanical Projects, Fabrication Works, Facility Management Services, General Trading, Project Support Services and IT Solutions Services with a commitment to quality, environmental sustainability, and occupational health and safety. Our integrated approach aligns with ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018 standards.

Quality (ISO 9001:2015)

We are committed to meeting and exceeding customer expectations through the consistent delivery of high-quality services. Falcons International fosters a culture of continuous improvement, innovation, and adherence to our Quality Management System to enhance customer satisfaction.

Environmental Responsibility (ISO 14001:2015)

Recognizing our environmental impact, we strive to minimize our footprint across our services. Falcons International complies with environmental regulations, adopts sustainable practices, and continually improves our Environmental Management System to promote responsible construction practices.

Occupational Health and Safety (ISO 45001:2018)

The health and safety of our employees and stakeholders are paramount across all our activities. Falcons International identifies and manages occupational health and safety risks, complies with relevant legal requirements, and continually enhances our Occupational Health and Safety Management System to ensure a safe working environment.

CONSULTATION SERVICES

ELECTRO-MECHANICAL PROJECTS

Since its inception we have chosen our engineers and technicians to be highly skilled and motivated. We selected our engineering crew by a three-stage filtering process from hundreds of applicants. We are always in the quest to meet the increasing market demands.

- Electro-Mechanical Services
- Heating ventilation & Air conditioning system
 - Firefighting System
- Plumbing & drainage System
 - Electrical Work
 - Low Current System
 - External Works
 - Structural Works
- Piping & Process Piping
- Communication & Instrument Works

FABRICATION WORKS

Falcons provides a wide range of fabrication, equipment repair, quality control, pipeline, industrial and process services in the Oil & Gas, Petrochemicals and Power Industries in the Region. Our fabrication team is combined with diversely skilled and professionalism that continuously strive to meet and exceed customer expectations through innovative ideas and quality.

- Steel Fabrication
- Mechanical Constructions
- Marine Industries
- Oil & Gas Industries
- General Fabrication
(Custom Steel Works as Per Client Requirement)
- Machinery Spare Parts Fabrication

FACILITY MANAGEMENT

Falcons International Contracting Co. takes pride in its cutting-edge Facility Management system, designed to optimize operational efficiency, enhance cost-effectiveness, and ensure the seamless functioning of diverse facilities within the organization. Our tailored solutions leverage advanced technologies, industry best practices, and a commitment to sustainability.

- Cleaning Services:
 - Clean glasses and claddings.
 - Hygiene Services
- Sterilization of houses and facilities
 - Furniture & carpets cleaning.
- Houses, Compounds, Hotels, Hospitals, Schools and factories Cleaning
 - Steaming curtains
- Water Tanks Cleaning and Disinfection
 - Pool cleaning
- Marble and ceramics tiles Polishing and Crystallizing
- General Maintenance:
 - Plumbing
 - Electrical
 - ACRepair
 - Renovation Works
- Pest Control Service
- Gardening Services
- Hospitality and Janitorial Services

GENERAL TRADING

Falcons International General Trading, strategically located in the Middle East, capitalizes on its expertise and geographical advantage. The trading division holds a significant market share in the region by offering a quality product range at competitive prices. With a focus on maintaining diverse customer relationships, we provide oil and gas, drilling, and project support equipment to reputable companies. Our sustained reputation in the trading business stems from timely updates on new products and services. In the Infrastructure Services division, Falcons International has consistently demonstrated excellence, integrity, and efficiency, earning a respected position in the industry since its establishment.

- Building Materials
- HVAC Materials
- Industrial Civil Materials
- Mechanicals Materials
- E & I Materials
- Steels & Gratings
- Valves & Fittings
- Oil & Gas Supplies including downhole tools
- Electro-mechanical Materials
- IT & Communication Materials
- General Consumables
- Safety Materials
- Tools & Hardware
- Office Furniture and Pantry Supplies

PROJECT SUPPORT SERVICES

Harnessing expertise and our strategic Middle East location, Falcons International Project Support Services excels in delivering comprehensive solutions. With a focus on efficient manpower, we provide skilled workforce support for diverse project needs. As a market leader, we offer quality products and specialized manpower at competitive rates. Leveraging vast business knowledge, we specialize in supplying skilled manpower, ensuring reliability and efficiency in our Project Support Services. Falcons International has consistently maintained a reputable position by seamlessly integrating quality products with skilled manpower.

- Joint venture & Technology transfer
- Human resource support
- Oil & Gas
- Logistic services
- Transportation services
- Facility management

EQUIPMENT RENTAL

Though expanding its capabilities in the Oil & Gas industry with cross country pipelines, industrial plants and infrastructure, Falcons Equipment Rental division has equipped with latest equipment from excavators to heavy loaders with experienced and certified operators.

□ Light Equipment

- Power Generator
- Welding Generator
- Articulated Manlift
- Telescopic Manlift
- Scissor Lift
- Air Compressor
- Tower Light
- Welding Machine

□ Earth Moving Equipment

- Excavator
- Wheel Loader
 - Dozer
- Backhoe Loader
- Roller Compactor
- Grader
- Skid-Steer Loader

□ Heavy Lifting Equipment

- Mobile Crane
- Crawler Crane
- Rough Terrain Crane
- Tower Crane
- Boom Truck
- Forklift
- Telescopic Handler

□ Transportation Equipment

- Bus (Ac & Non-Ac)
- Dyna Truck
- Pickup Truck
- Water & Diesel Tankers
- Winch Truck
- Vacuum Truck
- Flat Bed Trailer
- Low Bed Trailer

IT SOLUTIONS SERVICES

Falcons International Innovative Technology division enhance the best information technology's utilization in various project to boost up the accuracy and time. We help to make the world a better place by providing the best services to improve our customer's performance.

- ❑ Servers' Installation, setup, migration & maintenance
- ❑ Provision of IT hardware, services, setup, maintenance etc.
- ❑ AMCs (Annual maintenance contracts) of IT hardware/software
- ❑ Security design of your IT infrastructure.
- ❑ Data centre design & development
- ❑ Provision of network components setup & maintenance
- ❑ Applications design & deployment

M.O.D.A PROJECT
Al YAMAMA COMPANY

Attention: To whom it may concern.

Dear Sir,

Please be informed that Falcons International Corporation have been employed within the above named project since 9th January 2011 as a sub contractor on various work items. Initially Falcon commenced work carrying out substructure and superstructure RC works and have progressed to block masonry and plastering works to which all are currently still ongoing and to a satisfactory standard.

I have always found Mr. D Roy Business Manager a very helpful sub contractor to liaise with and co-operative at all times when possible. Due to this reasoning I would not hesitate in employing Falcon International for future works and hope our working relationship continues for many years to come.

I hope you find this reference to your satisfaction and approval.

Kind Regards,

4

BUILDING THE FUTURE, RESTORING THE PAST

REF: AKD-MGS-L-SUB-APP-GEN-1122-043 DATE: 21-Nov-2022

Certificate Of Appreciation

This is to certify that Falcons International Corporation for General Contracting, an ISO 9001 Company with the Commercial registration No.2051029741 had performed as a Sub Contractor to our Aramco projects during the period September 2018 to May 2022.

We always found Falcons International a very professional Sub Contractor to rely on with highly efficient work force and management team who are very specific in pipeline project execution and maintenance and time management. We would not hesitate in employing Falcons to any of our projects in future and would definitely recommend them for any projects related with their scope and capacity. We take this opportunity to appreciate Falcons International for their outstanding performance and wish all success for their future projects.

MAIN CLIENTS' VENDOR REGISTRATION

أرامكو السعودية
Saudi Aramco

February 7, 2004

YOUR SAUDI ARAMCO VENDOR
REGISTRATION NUMBER: 10031000

**FALCONS INTERNATIONAL CORPORATION
FOR GENERAL CONTRACTING
P.O.BOX. 32423
AL-KHOBAR 31952
SAUDI ARABIA**

Dear Sir:

Thank you for your interest in performing work under contract to Saudi Aramco. Your file now contains the required registration information.

It is important to note that this registration merely provides Saudi Aramco with current contact and other basic information about your company. This registration is different from contractor prequalification which is performed separately in connection with a specific contract or group of similar contracts.

The method Saudi Aramco uses to prequalify and select bidders for each contract depends on the contract's complexity and urgency in addition to the number of potentially qualified contractors for the required work. A brief explanation of Saudi Aramco's Bid Slate Development methods is available in the Contracting Policies and Procedures section of Contracting's Internet Website. Our Web Site address is as follows:

Web site: www.saudiaramco.com
Select: E-business
Select: Contracting

We would like to take this opportunity to remind you to regularly update your registration information with Saudi Aramco, at least once a year. Should you require information concerning your file with Saudi Aramco, please contact our Contractor Relations Group, R-A162, North Park #2, Bldg. #3301, Wing "A", Dhahran, Telephone Nos. 874-2328 or 874-2295; Fax no. 874-2310.

We appreciate your interest in doing business with Saudi Aramco and wish you the best of success.

Sincerely yours,

**S.M. AL-DOSSARY, Manager
Contracting Department**

YOUR SAUDI ARAMCO VENDOR
REGISTRATION NUMBER: 10029955

**FALCONS TRADING EST.
P.O. BOX. 32423, King Abdullah Street cross Prince Hamood Street
Al-Jazirah Commercial Center
Al-Khobar 31952
Saudi Arabia**

Gentlemen;

Thank you for your interest in providing contract services to Saudi Aramco. Your new contractor registration application has been approved and your Company has been assigned the following Vendor Number:

YOUR ASSIGNED SAUDI ARAMCO VENDOR NUMBER: 10029955
(Please note this Vendor Number for your future reference.)
Commercial Registration No. 2051220483

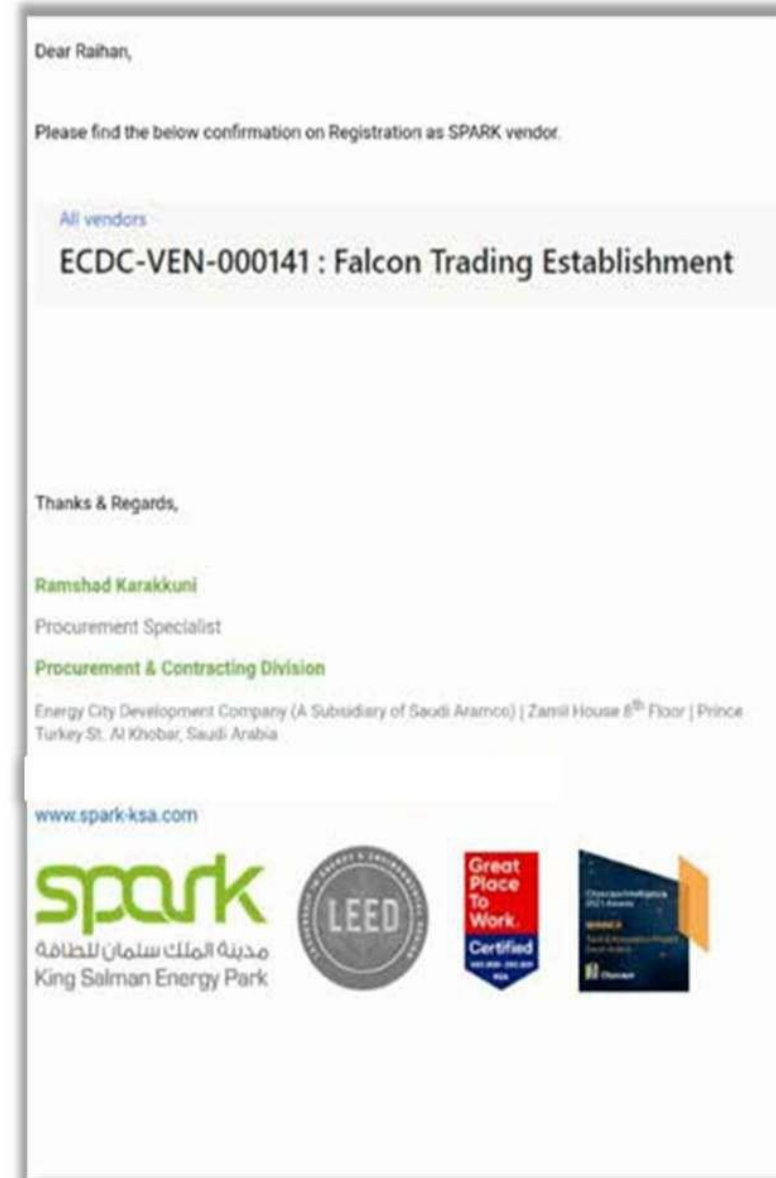

A unique username and temporary password will be sent to each of your Company's Designated Contacts (as specified in your registration application) to enable them to access Saudi Aramco's Electronic Contracting Network (ECN). ECN is accessible through the Saudi Aramco Portal at <http://vendor.aramco.com>. It is important to note that this registration merely provides Saudi Aramco with current contact and other basic information about your Company. This registration is different from contractor prequalification which is performed separately in connection with a specific contract or group of similar contracts. The method Saudi Aramco uses to prequalify and select bidders for each contract depends on the contract's complexity and urgency in addition to the number of potentially qualified contractors for the required work. The most important source of contractor information that Saudi Aramco will heavily rely on is each registered contractor's Contractor Profile in ECN, which each contractor can update themselves online and at any time. Therefore, the most important step for your Company to take immediately after receiving your ECN usernames and passwords is to promptly complete the remaining sections of your Contractor Profile in ECN. These sections include:

- * Introduction
- * Work Experience
- * Certificates
- * Human Resources
- * Equipment
- * Branches / Camps / Laydown Yards
- * Financial Information
- * Parent Company / Affiliates / Subsidiaries / Sole Agency Agreements

We appreciate your interest in doing business with Saudi Aramco and wish you the best of success.

Sincerely yours,
**Contractor Relations Unit
